

**Biomedical Engineering M.S. Degree Program  
(30-credit option)**

Name \_\_\_\_\_ Student ID Number \_\_\_\_\_

Area of Specialization \_\_\_\_\_

Advisor \_\_\_\_\_

Degree Requirement	Course Number	No. Degree Credits	No. Degree Credits in Area of Specialization
Engineering Courses at 400 Level or above (At least 12 Credits)			
Project/Independent Study (3-6 Credits)			
Electives (7-10 credits) (Courses must be 300 Level or above)			
Physiology	335	5	
BME Seminar (Need 2 Semesters)	BME 701	0	
Total No. Credits			
		(At least 30 Credits)	(At least 15 Credits)

**This form must be accompanied by a paragraph explaining how these courses combine with previous training to provide the engineering depth and breadth and the bioscience associated with a MS in BME.**

**DOES YOUR ADVISOR REQUIRE A THESIS \_\_\_\_\_ YES \_\_\_\_\_ NO**

**THESIS TITLE** \_\_\_\_\_

Advisor's Signature \_\_\_\_\_

Date \_\_\_\_\_

Graduate Committee Approval \_\_\_\_\_
