Option A Minor Approval Form for Electrical and Computer Engineering

Name: ____________________________  ID Number: ____________________________

Student’s Email Address: ____________________________________________________

Option A Department: ________________________________________________________

Nine (9) or more graduate credits in a single department or field of study is required. The minor program should be designed to represent a coherent body of work. A grade-point average of at least 3.00 must be achieved across the minimum nine (9) credits. One cross-listed ECE course may be used in the Option A minor as long as it is staffed by the minor department. This approval form may be submitted to the student’s file only after satisfactory completion of the minor program coursework.

Option B Minor Approval Form for Electrical and Computer Engineering

Name: ___________________________________________ ID Number: __________________________

Student’s Email Address: __________________________________________________________________

Option B Department: _______________________________________________________________________

Nine (9) or more graduate credits in two (2) or more departments. ECE may be one of those departments. ECE courses used here may not be applied to any other PhD course requirement. The minor program should be designed to represent a coherent body of work. A grade-point average of at least 3.00 must be achieved across the minimum ten (10) credits. Three credits must be numbered 700 or higher in each of at least two of the Option B departments. The Option B minor form may only be submitted to the student’s department file after all approved courses are satisfactorily completed.
