Patent Basics for UW Researchers
Leah Haman
WARF, Madison, WI

Abstract and Bio
Leah Haman is an intellectual property associate at the Wisconsin Alumni Research Foundation (WARF). WARF is the designated technology transfer office for the UW-Madison. WARF’s mission is to support, aid and encourage UW–Madison research by protecting its discoveries and licensing them to commercial partners for beneficial use in the real world.

The talk will cover the basics UW researchers should know about intellectual property and WARF’s disclosure, patenting, and licensing processes. Key takeaways and changes to patent laws in light of the America Invents Act (AIA) will be touched on as well.
