

Option A Minor Approval Form for Electrical and Computer Engineering

Name: _____

ID Number: _____

Option A Department: _____

Ten (10) or more graduate credits in a single department or field of study is required. The minor program should be designed to represent a coherent body of work. A grade-point average of at least 3.00 must be achieved across the minimum ten (10) credits. One cross-listed ECE course may be used in the Option A minor as long as it is staffed by the minor department. This approval form may be submitted to the student's file only after satisfactory completion of the minor program coursework.

| Department & Course Number | Instructor | Course Title | Grade | Cr. # |

**Please return this completed form to the CEE/ECE/GLE Student Services Office in 2304a Engineering Hall.*

Option B Minor Approval Form for Electrical and Computer Engineering

Name: _____

ID Number: _____

Option A Department: _____

Ten (10) or more graduate credits in two (2) or more departments. ECE may be one of those departments. The minor program should be designed to represent a coherent body of work. ECE courses used here may not be applied to any other PhD course requirement. A grade-point average of at least 3.00 must be achieved across the minimum ten (10) credits. This approval form may be submitted to the student's file only after satisfactory completion of the minor program coursework.
