

PhD Primary Area Course Requirements for Electrical and Computer Engineering

Name: _____ **ID number:** _____

Primary Area: _____

I approve the following courses for use in satisfying the PhD Primary Area Course Requirement which must contain a minimum of twelve (12) UW-Madison ECE graduate credits with at least six (6) credits from courses numbered 700-913. A grade point average of 3.3 or greater must be achieved on all these credits. Students must select courses from a list provided by their area and must meet additional requirements, if any, imposed by their area (consult the Area Course Requirements in the ECE Graduate Student Information booklet). Students whose areas permit the use of some courses taken as an undergraduate must still list the courses here if course is required.

Energy and Power Systems: Please indicate your specialty group. ___ Machines/Drives, ___ Power Electronics, ___ Power Systems. Choose only one for purposes of meeting your primary area course requirement. List required undergraduate courses whether taken at UW-Madison or elsewhere.
