INSTRUCTIONS:
Students applying to transfer to an alternate engineering major (after initial progression/admission) are required to submit an online application in the TIED system (https://sd3.engr.wisc.edu/tied/) and meet with an academic or faculty advisor in their intended engineering program.

The advisor must sign and submit this form, which acknowledges the meeting.

TO BE COMPLETED BY STUDENT:
Student Name: _________________________________________ Campus ID: _____________________________

Current Program____________________________                Intended Program: _________________________________

Student Signature: ______________________________________ Date: __________________________________

TO BE COMPLETED BY ADVISOR:
Advisors should submit completed form to 2620 Engineering Hall (Dean’s Office)

Advisor Name: _________________________________________ Program/Department_____________________

Advisor Signature: ______________________________________ Date: __________________________________

ADVISOR NOTES/COMMENTS (Optional):
