

# RRE Committee

\*This Committee consists of at least five faculty members including their major professor(s). At least four of the members must be members of the Materials Science Advisory Committee (MSAC). The student may invite additional faculty with relevant expertise who are not members in the Materials Science Program.

\*\* Committee members must have appointments spanning at least two different academic departments.

\*\*\*The make-up of the RRE Committee must be on file in the Graduate Student Services Office (3182 Mechanical Engineering Building) by the end of the third semester of study.

**Student Name:** \_\_\_\_\_

**Student ID#:** \_\_\_\_\_

## **RRE COMMITTEE:**

- |                          |                     |
|--------------------------|---------------------|
| 1) _____<br>Advisor Name | _____<br>Department |
| 2) _____<br>Name         | _____<br>Department |
| 3) _____<br>Name         | _____<br>Department |
| 4) _____<br>Name         | _____<br>Department |
| 5) _____<br>Name         | _____<br>Department |
