

HOW TO USE THE DEGREE PLANNER FUNCTION IN COURSE GUIDE

1. Go to your MyUW page (with all the program boxes)
2. Open "My Course Guide" from there
3. Search for the courses you are planning to take and **select the box** in the upper left corner of each

You'll then see a page that looks like this:

mycourseguide

Add to Plan or Favorites List

To add **Macroprocessing of Materials** to one of your lists, select a Plan or Fa then click Add.

Plan Courses Favorites

Select Plan Select Term

Primary Plan ▼ Spring 2015-2016 ▲
Summer 2016
Fall 2016-2017 ▼

Add Cancel

Add the course to the semester in which you hope to take the course and repeat for all classes you plan to take.

HOW TO USE THE DEGREE PLANNER FUNCTION IN COURSE GUIDE

Then at the top of the page, select the “Degree Plans” tab
