

Option B-DISTRIBUTED Minor

Industrial & Systems Engineering PhD Students

A student choosing the Option B-Distributed Minor must complete a minimum of 9 credits of courses from one or more department(s).

The student's advisor must approve the set of courses being used to satisfy the Option B minor.

An ISyE course may not be used for the Option B minor, except that a course cross-listed with ISyE may be used if the home department for such course is not ISyE.

This form must be accompanied by a paragraph explaining how these courses relate to the student's Minor Topic and provide a cohesive minor that will enhance the student's Doctoral Program.
