Purchasing:

1. The **UW is tax exempt**. All purchases should not include tax.
2. All purchases should be made in compliance with university guidelines. If you have questions please contact the ME Financial Specialist BEFORE you purchase.
3. All purchases must be **shipped to a UW address**.
4. **Purchases Under $5,000** can be made by faculty and staff within the department.
   a. **Shop@UW** is the university’s e-commerce site that allows faculty and employees to easily compare prices, purchase tax-free, and return items available from contracted vendors, including Grainger, Staples and VWR and many more. Purchases on the site require an account. Contact the ME Financial Specialist for details.
      i. Each vendor has a [contact person] for discounted quotes and to find items not available from the vendor through Shop@UW.
   b. **DoIT** is the university’s technology vendor. There are several shops on campus and online webstore. Purchases on the site require an account. Contact the ME Financial Specialist for details.
      i. Josh Jankowski (joshua.jankowski@wisc.edu) is the department IT Specialist. Consult with him on your purchases and have him help you configure your computer. He can place orders for you or you can ask the department to place individual orders. He can also assist with data backup.
      ii. Engineering software may be available to download through [Computer-Aided Engineering (CAE)].
   c. **SWAP** is the university’s surplus property reseller. This is a good place to find used but good office furniture, computer equipment and items for your lab. Purchases on the site require an account. Contact the ME Financial Specialist for details.
   d. If items are not available from any of the above resources, purchases under $5,000 can be made with the **ME department credit card**. See the [ME Department Procard Policy] or contact the ME Financial Specialist for details.
   e. **Business cards** may be ordered through [http://www.uwdoitprintingstore.org/]. Log in using your NetID and password. Down on the left are COE business card templates, you can use. You can order there yourself with an account number, or sit down with the ME Financial Specialist to order.
   f. **Transportation**
      i. **Parking permits**: You need to be registered in order to apply for a parking permit. Contact the [COE unit transportation coordinator] found on the
Transportation Services website. Once you are registered in the system, then go to the parking permit website and then apply for the permit.

ii. Bus passes are also available on the Transportation Services website.

g. Hosting meals for others requires an itemized receipt and business purpose. There are additional forms required for paying for or reimbursing hosted meal expenses. See the UW policy and/or contact the ME Financial specialist BEFORE you host a meal.

5. Purchases over $5,000 are made and authorized only by UW purchasing agents and require a purchase requisition. Contact the ME Financial Specialist to get started.

Travel:

1. The university has important regulations that must be followed in order to purchase or be reimbursed for travel. It is the traveler’s responsibility to understand and comply with UW travel and reimbursement policies and procedures. If you have specific questions about policies or procedures contact the ME Financial Specialist. Important highlights are;
   a. Travelers must be an authorized driver to claim mileage, rent a car, or drive a university fleet car. Contact the ME Front Desk USPA to get authorized. See the Risk Management website for information.
   b. All UW employee and visitor airfare must be booked through Fox/Concur
   c. All UW employee and visitor lodging must be booked through Fox/Concur or through the hotel or conference site directly. Third party sites like Expedia and Travelocity are not allowed.
   d. The University follows federal meal and lodging per diems. A lodging and meal allowance calculator is available for travelers to determine per diems by location. This may be used before travel to plan or after travel for reimbursement.
   e. Travel and expense reimbursement is submitted by employees through the UW E-reimbursement system.
   f. After reimbursements are completed online, all required receipts are turned in to room 3107F ME. Envelopes are provided. Travelers should complete the ME E-Reimbursement form and turn it in with receipts. If traveler is a student, the PI for the funding to be charged needs to sign the E-Reimbursement form.

HR and Payroll:

1. Hiring:
   a. Appointments cannot be backdated. We are required to do criminal background checks and I-9 verification BEFORE anyone can be hired. If you are planning on hiring someone, contact the department first.
b. All students must be enrolled in the UW before their start date.
   i. International students with visa questions should contact International Student Services.

c. Appointment %, start and end dates can affect benefits. Consult with the ME Payroll and Benefits Specialist in advance.

d. For RA, Student Hourly and $0 dollar appointments contact the ME Payroll and Benefits Specialist.
   i. $0 visiting appointments
      1. Sponsor is responsible for identifying office space, if needed.
      2. International visitors have specific documentation and financial information requirements and must also satisfy UW English proficiency requirements.

e. For TA, Academic or University Staff appointments, contact the Department Administrator.

f. Common HR forms and resources:
   i. UW Insurance Information
   ii. W-4 Form
   iii. Direct Deposit Form
   iv. SHIP Insurance: Required for all international students unless they have a waiver.
   v. GLACIER helps determine tax residency, withholding rates, and income tax treaty eligibility for non-resident aliens.
   vi. International Faculty and Staff Services for visa questions.
   vii. International Student Services for visa questions.

Facilities:

1. Conference rooms are reserved through the EMS System. Classrooms are controlled by Curricular Services and can be scheduled after classroom assignments are made each semester. Please make requests 48 hours in advance to ME Student Service Center in 2107 ME.

2. Keys and building card access requests are made using the online Key Request form. After you receive an email confirmation, keys can be picked up in 3107 ME. Building card access is updated every Monday.

3. Phone lines are paid for and managed through DoIT. If you need a line changed or set up, contact theme Financial Specialist. PIs are responsible for purchasing their own phones.

4. Safety protocols, services and training are available through UW Environment, Health & Safety. All PIs are responsible for updating lab safety signs outside of their labs each year.

5. There are multiple IT Resources available. Contact Josh Jankowski, the department IT Specialist for assistance.
a. Computer Aided Engineering (CAE) takes care of all the instructor podium computers in the classrooms. A CAE login is required to access these machines, this is NOT the same as your DoIT NetID. Create a CAE login on My CAE Account website. If you experience problems with CAE computers, contact the CAE help desk at (608) 262-5349 or helpdesk@cae.wisc.edu. All classrooms will have a laptop connection that will allow a laptop to be projected.

b. AV in classrooms and conference rooms is managed through Engineering Media Services. This includes videotaping, videoconferencing and equipment rentals.

c. CAE offers resources for downloading engineering software, website hosting, remote desktop services. See the Getting Started website for details.

d. Your faculty profile is updated by navigating to your profile on the ME website and clicking the “Update Profile” link in the lower right corner of the page.

6. Printers and teaching supplies:
   a. The department printer is in room 3057 ME. This room is open during business hours. If you want to access the room outside of business hours, make a key request (item 2, above). Contact the ME Front Desk USPA for a copy code to use the printer. Contact Josh Jankowski (joshua.jankowski@wisc.edu) the department IT Specialist, to configure and install drivers on your computer.
   b. Paper, pens and basic office supplies are in 3057 ME. If you need to order office supplies, look at Staples on Shop@UW and send a list of the items you want and funding information to purchasing@me.engr.wisc.edu.

7. Maintenance and service call requests should be sent to the Academic Department Manager.

Budget and Finance:

1. Funding accounts, spending and balances are available on the UW Financial site called Wisdm.
   a. Log into Wisdm with your NetID.
      i. Search by Department (ME is 196200) and PI to see all accounts under a PI’s name.
      ii. First three numbers of an account indicate where the funding comes from; 144 (Federal research), 133 other research, 135 (Graduate School), 233 (discretionary/donation) and 101 (General Operations/State)
      iii. UW fiscal year runs from July 1 to June 31.
      iv. If you have any questions about your funding contact the ME Accountant.
Research:

1. All proposals, contracts and agreements need to be routed through appropriate university channels to ensure compliance with Federal, State and UW regulations. The internal system to route proposals, contracts and agreements within the UW is called WISPER. UW Research and Sponsored Programs (RSP) has final signature authority on all extramural support. Contact the ME Research and Grants Administrator for details.
   a. Other grant submission tools and resources are:
      i. CAYUSE: Web-based system used for electronic grants.gov submissions to federal agencies that provide adobe forms for the submission process (e.g. NIH, DOD, CDC, USDA, etc.)
