

Accelerated Master of Science Program

Minimum Degree Requirements and Satisfactory Progress:

http://grad.wisc.edu/catalog/degrees_cee_criteria.htm

Coursework:

Approval of courses should occur during the student's first semester by the student's faculty advisor.

GPA Requirement:

Students must achieve a 3.0 grade point average or higher in all graduate work.

50% Graduate Coursework Requirement:

At least 50% of credits applied toward the graduate degree credit requirement must be completed in graduate-level coursework; courses with the Graduate Level Coursework attribute are identified and searchable in the university's [Guide](#). Courses numbered 700 and above are automatically counted toward graduate level minimum requirements.

Submit Form to CEE Student Services Staff in 3182 ME Bldg.

Total Credits			30		

Accelerated MS program students will work with their faculty advisor to develop a curriculum in their first term. The faculty advisor and department chair will both approve the curriculum in the final term before degree completion. Approved forms will be turned in to the Graduate Student Services office (Mechanical Engineering Bldg. 3182).
