

## Undergraduate independent study authorization form

### Instructions:

- Use this form for BME 399, 389, or 489 - each semester.
- **Follow the enrollment deadlines** for adding courses - <http://registrar.wisc.edu/>. Forms should ideally be submitted during enrollment openings (April for the Fall term and November for the Spring term).
- Meet with the faculty mentor and **establish the instructional criteria for the credit** awarded, define the instructional contact, and have the student's project and student learning experience approved.
- **Type Information** (you will need the Free Adobe Acrobat Reader version 5.0 or higher).
- Print a paper copy.
- Have the faculty **mentor sign** this form.
- **Submitted the completed form to the student services office**, Rm 170, 1410 Engineering Dr. or scan and email the completed form to [mcnelson8@wisc.edu](mailto:mcnelson8@wisc.edu)
- After this form has been processed by Academic Programs staff, an email message will be sent to the student's wisc.edu email address with the class number **within 10 days**. The class number is used by the student to enroll.
