

Biomedical Engineering M.S. Research Program Warrant Request

(Submit this form during your final semester of enrollment in the MS program)

Name _____ Student ID Number _____

Area of Specialization/Track _____

Advisor _____

List all courses you used to complete your degree in the table below. This form must be accompanied by a paragraph explaining how your courses combine with previous training to provide the engineering depth and breadth and the bioscience associated with a BME MS. Look at the [BME Graduate Student Handbook](#) for more information on the degree requirements and [the Graduate School's Academic Policies and Procedures](#) for university-wide standards. Submit this form, signed by your advisor, to the BME Graduate Coordinator during your last semester of courses. We will use this to request the MS Warrant needed to earn the degree.

Degree Requirement	Course Number	Semester (ex. F 20)	# Degree Credits	# Track Credits	# Grad-level Credits (50%) *
Engineering Courses at 400 Level or above (At least 12 Credits)					
Project/Independent Study BME 799 or 790 (0-6 Credits)					
Electives at 300 Level or above					
Biological Science (3-5 credits)**					
UW BME BS students Only Two adv. BME courses from BS					X
					X
BME Seminar (Need 2 Semesters)	BME 701		0	0	0
	BME 701		0	0	0
Total # Credits:					
			At least 30 Credits	At least 15 credits	At least 15 credits

Are you required to submit a thesis to Memorial Library? YES NO

Thesis title: _____

Advisor Signature _____ Date _____

Graduate Committee Approval _____

*Graduate level courses are 700 level or higher or have the Graduate Level Coursework attribute in Course Search & Enroll. See the [Graduate School's Minimum Graduate Coursework \(50%\) Requirement](#) for more information.

**UW BME BS Degree students are not required to take an additional bioscience for the MS degree
