$68k+ UNDERGRADUATE
94% PLACEMENT

*according to U.S. News & World Report

**approximate per year

Undergraduates placed in a job or post-graduate studies within a year of graduation
Research activities in ISyE span a wide range of techniques and approaches, many of which are also of interest to other disciplines. As a result, our faculty members have joint appointments in biomedical engineering, civil and environmental engineering, engineering physics, mechanical engineering, business and computer sciences.
